Endless possibilities with iSpace

iSpace is a clever and versatile frame system, built for collaborative workspaces.

Featuring an adjustable beam, *iSpace* offers desk, workstation and table solutions to suit any space and accommodate any number of users. Easy to assemble and install, this system takes the leg-work out of designing your workspace.

CIRQ

With a simple column leg or popular drum base, *iSpace CIRQ* makes it easy to embrace the curve trend. Create a custom solution to suit any fitout, from the breakout space to the boardroom. Available in a range of colours, configurations, shapes and sizes, *iSpace CIRQ* is highly adaptable and suitable for any specification.

Made from durable steel and tested to the highest possible standards, *iSpace* has been designed to last with a 10-year warranty.
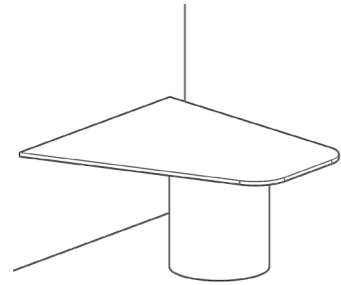

CIRQ Drum
